

Dennis Stephen

Dennis Stephen is a country rock music artist who has enjoyed performing for more than two decades. The singer-songwriter and multi instrumentalist is based in Boston MA and Nashville TN, and has performed in venues nationwide.

He performs solo, accompanied by custom backing tracks to create a full and complete band performance sound. Songs in the show are a tasteful mix of his original music along with select popular country cover tunes. Shows can be configured from 1-3+ hours long, as requested by the booker or venue.

His latest album, *Saints and Sinners* is available for streaming & download from Spotify, Amazon Music, iTunes, YouTube, Pandora and all major digital music platforms, and on CD.
